FORMS AND MATERIALS REQUIRED: A [King County application form](#).

WORK LOCATION: Cedar Hills Landfill, Maple Valley-WA.

WORK SCHEDULE: This is a full-time position and overtime eligible. The current position is day shift, Monday through Friday; 6:00 am – 2:30 pm, but is subject to Union contract shift bid process when the position is filled.

PRIMARY JOB FUNCTIONS: This position provides maintenance service support to the Division's Transfer Stations, Transportation and landfills. Primary duties relate to welding and fabricating materials for repairs or building new items.

- Implement repairs on Solid Waste facilities and equipment to include Transfer Stations, bulldozers, compactors, refuse trailers, scrapers and related equipment
- Fabricate parts to replace or improve Solid Waste structures or equipment.
- Provide support services to other job classifications, primarily Auto Machinists.
- Interpret blue prints, sketches and other instructions.
- Monitor supplies and re-order as necessary.
- Perform disassembly and assembly of equipment for access to weld areas.
- Design special jigs and fixtures.
- Design, lay out, assemble and weld complex repairs and specialized modifications.
- Repair defective or damaged metal parts. Work with light, heavy-gauge and hardened metals.
- Ability to drive Heavy Equipment which requires possession of Class B CDL.

- Ability to effectively communicate both orally and in writing.
- Ability to work in a team environment.
- Ability to add information to a windows based computer program – training will be provided

QUALIFICATIONS: Washington State Journeyman Welder certification, valid Washington State Driver's License and must be able to obtain a Class "B" Commercial Driver's License within 90 days of hire.

A copy of Journeyman Welder Certification and driver's license will be required upon hire.

NECESSARY SPECIAL QUALIFICATIONS: Applicants for positions defined as safety sensitive are required to undergo drug testing prior to employment and, subsequent to commencement of employment, will be subject to random, post accident, reasonable suspicion, return to duty, and follow up testing. The selected candidate will be required to pass a pre-employment physical examination.

UNION MEMBERSHIP: Positions in this classification are represented International Brotherhood of Boilermakers, Local 104.
